Important information regarding the proposed Bowes Primary School Street on Highworth Road

Dear resident, business owner or parent,

Following the successful implementation of 14 School Streets across the borough Enfield Council are expanding the initiative to more schools and are proposing a School Street on Highworth Road, between the A406 and Union Road, for Bowes Primary School.

A 'School Street' is an area transformed into a pedestrian and cycling zone operating Monday to Friday during the school term, during set times at drop-off and pick-up times. School Streets aim to:

- ensure the safety of school students as they arrive to and leave school,
- improve the air quality near the school, and
- encourage more young people to walk and cycle to school.

When the School Street zone is in operation during the designated hours, motor vehicles cannot pass through the zone, except for those who have applied and received a permit or exemption. Those who are eligible for exemptions include:

- residents who live within the zone,
- Blue Badge holders requiring access to the school (for example parents who hold a Blue Badge for a pupil),
- school staff who have been provided a permit by the school administration under exceptional circumstances,
- businesses who operate within the zone, and
- emergency services.

Further information on School Streets and how they operate can be found at <https://letstalk.enfield.gov.uk/schoolstreets>.

In partnership with Bowes Primary School, Enfield Council is proposing a School Street as shown in the map below and detailed in the proposed traffic order found at the link above. The proposed times of operation are 8.30am to 9.15am, and 3pm to 3.45pm from Monday to Friday during the school terms only and will be enforced by a camera operated system.
