Additional Chromebook Feedback

Chromebooks are regularly checked by the school. Some of the following have been found:

- Watching Fortnite on YouTube
- YouTube pranks
- Non-educational games

The school also monitors the time children have been using their Chromebook – some are being used for long periods and late at night.

Chromebooks are for the children and should not be used by adults. The school carries out regular internet browsing checks. 'Search history' cannot be deleted. We also use software which detects inappropriate use of the Chromebooks and will take a screenshot of this.

Chromebooks belong to the school and are loaned to the children. They must be treated with care – please refer to the signed agreement.

Do not eat or drink over the Chromebook.

It is important that the children's use of their Chromebook is monitored both at home and school. **Please ensure you monitor this at home.**
