Dear Parents,

RE: Online Reading Library for Read Write Inc. Books

At Bowes, we use the systematic scheme Read Write Inc. (RWI) to teach phonics and to help our children learn to read. This year, we have made the decision to use their online library platform, so that children can access their weekly RWI book, which compliments their learning in school. All children will continue to bring home books from our class libraries, as we value the importance of holding a 'real book' when reading.

We have created an individual online account for every child who is learning to read using the RWI scheme. Once your child has completed the RWI programme, they will move onto 'Active reading' lessons and will not need an online RWI account. If your child is following our RWI programme, your teacher will give you the individual details for your account. **Please check your child's book bag today for your login details.** You will also be given a leaflet on how to login and use the online library.

Each week, your child's RWI teacher will assign the book that they are working on to your child's digital library. When you login, you will be able to see this book and any instruction that the teacher has given. Please read the book daily with your child once it has been assigned every **Thursday**. Your child will be able to use their chromebooks to access the online library.

On our [website](#) we have a link to the online platform, or you can visit www.oxfordowl.co.uk. We have also uploaded a video, which is a tutorial on how to use the online library.

If you have any questions, please do not hesitate to contact your class teacher or the school office.

Many thanks,

Effie Demetriou

Headteacher
