

8th September 2021

Dear Parents,

MEET THE TEACHER -YEARS 1-6

Now that your child/children have had a chance to settle into the new academic year, we will be hosting our 'Meet the Teacher' sessions.

The purpose of this meeting is for you to meet your child's teacher, see their classroom/school environment and share some expectations for the year ahead.

This will be a group meeting and we look forward to as many parents attending as possible. In order to provide adequate space for distancing, we have split the class parent list into two groups and you will be informed of your session time by text. If you have not received a text by the end of the school day tomorrow, please contact the school office. We kindly request that only one parent per child attends the meeting and that in keeping with general advice, face masks be worn. If you would like to take a lateral flow test before the meeting, this would provide further reassurance to our school community. As classroom space is limited and this is a meeting for parents, it is strictly no children on this occasion.

Please see below the dates for your meeting:
