

6th January 2023

Dear Year 6 Parents,

SATs Information Meeting for Parents

We would like to invite you to a **SATs Information Meeting** on **Wednesday 18th January 2023**. There will be two sessions, one at **9am** and then repeated again at **6pm**, both in the Lower Hall. You may choose which session to attend.

All children in Year 6 are assessed at the end of Key Stage 2 using Teacher Assessments and Standard Assessment Tests (SATs). These assessments take place early on in May. The aim of the session is to provide you with information about these assessments and to give you an insight into the expected standard at the end of Year 6. We will also show examples of previous test questions and share ideas on how to support your child at home.

We look forward to welcoming you to one of the sessions. If you are unable to attend, the presentation will be available to view on the Bowes website shortly after.

Thank you for your support.
