Dear Parents,

**RE: School Streets Update**

It has been some time since we have been in contact with you about the enforcement of School Streets on Highworth Road. I heard from the Local Authority at the end of the last half-term, who informed me that they have been liaising with Transport for London, and are now in a position to get the ball rolling again. Due to the time lapse since the initial correspondence, the Local Authority are now formally consulting again. [The consultation](#) went live on the 21st February 2024.

The Local Authority would like to invite residents, and anyone interested, to provide an objection or representation to the draft traffic order through the statutory consultation.

The statutory consultation is open until midnight on **Sunday 17 March 2024**. Any objection or representation must be made in writing, quoting the reference **TG52/1542** and must state the grounds on which it is made.

Objections or representations can be made in any of the following ways:

- via [this survey](#)
- emailed to [journeysandplaces@enfield.gov.uk](mailto:journeysandplaces@enfield.gov.uk), or
- posted to: Journeys and Places, Enfield Council, Silver Street, Enfield, EN1 3XA.

Before completing the consultation survey, please make sure you read the information provided on the project page in the folders and the draft traffic order [here](#) which includes the map of proposed School Street.

As a brief reminder, there is a proposed 'School Street' restriction for Highworth Road. The restriction will be between the A406 and Union Road, for 45 minutes in the morning (8:30am – 9:15am) and the afternoon (3:00pm – 3:45pm).

All of this information can also be found on our [school website](#).

Thank you for your continued support.

Kind regards,

Effie Demetriou  
Headteacher
