

Reception Home Learning Project

Autumn 2

- You should choose at least three out of the eight options below. You could think of your own idea for some research/project ('Brain Wave') as one of these.
- Please ensure you have some evidence of your Home Learning to share with your teacher. This may be presented in the Home Learning book that you have been given, or you may choose to present it in other ways e.g. using IT, creating a sculpture- be creative with how you present your work.

	Calculate or Reason	Write	Discuss	Create	Visit	Investigate	Watch or Listen	Brain Wave!
<p>Our Learning Quest: Ice Explorers!</p> <p><i>Let's explore Antarctica</i></p> 	<p>Use every day experiences to count.</p> <p>Write your numbers to 10.</p> <p>Find different ways of representing numbers 1-5.</p> <p>Make a repeating pattern.</p> <p>Suggestions:</p> <div> <div>two</div> <div>2</div> <div>   </div> <div>     </div> </div>	<p>Practise writing your name.</p> <p>Practise forming all your letters correctly using the RWI rhymes (a – around the apple down the leaf)</p> <p>Write simple words using the sounds you have learnt so far.</p> <p>Examples below: mat, cat, is, it, pat, jog, leg, up, got, bat</p> <p>Remember to use the Read Write Inc (RWI) sound mat we have given you already to support your writing.</p> <p>Suggestion: Use a whiteboard, paper, chalks, pasta, rice to write out the words and your name.</p> 	<p>Talk about the seven continents of the World and name them.</p> <p>Suggestion:</p> <p>Can you locate them on a World map or globe? Find out which animals live in Antarctica.</p>  	<p>Create an Antarctica scene using mixed media of your choice.</p> <p>Suggestion:</p> <p>Make a model from junk modelling materials, or construction materials such as Lego.</p> 	<p>Go to the Natural History Museum or the Science Museum and find out about animals and dinosaurs.</p> <p>Suggestion:</p> <p>Don't forget to take a pen and paper with you to write down what you find out! Take a picture and add it to your Tapestry profile!</p> 	<p>What does an explorer do? Explain this to your adult.</p> <p>Suggestion:</p> <p>Draw a picture of an explorer and label your favourite explorer you have found out about.</p>  <p>Look at this website for more information: https://www.nhm.ac.uk/</p>	<p>Watch episodes of Alphablocks and Numberblocks on Cbeebies.</p> <p>Suggestion:</p> <p>Record some sounds that you can remember and write down numbers to 10.</p>  	

Your Home Learning should be completed mid-way through the half term. We would like you to complete your work in your Home Learning book and bring it back into school on the hand in date. **Please submit any photographs of creative projects to your Google Classroom.**
