

Year Two Home Learning Project

Autumn 2

- You should choose at least three out of the eight options below. You could think of your own idea for some research/project ('Brain Wave') as one of these.
- Please ensure you have some evidence of your Home Learning to share with your teacher. This may be presented in the Home Learning book that you have been given, or you may choose to present it in other ways e.g. using IT, creating a sculpture- be creative with how you present your work.

	Calculate or Reason	Write	Discuss	Create	Visit	Investigate	Watch or Listen	Brain Wave!
Our Learning Quest:  Location, Location, Location! (Kalahari Class) Explorers! Off We Go! (Sahara Class)	Pick a 2-digit number and partition it into tens and ones. Use the part whole model to show this. Write down the equation (number sentence).  Challenge! Pick two 2-digit numbers and add them together. Remember to draw your tens and ones to help you add them together.	Pretend you are an explorer travelling around Enfield for the very first time. Send a postcard to a friend. Draw pictures on one side and on the other side, write about the things you have seen. Can you use your five senses? Challenge! Remember to use capital letters, finger spaces and full stops. 	Which parts of the world are the hottest and why? Which parts of the world are the coldest and why? 	Create a paper mache globe of planet Earth.  Watch this video to help you. https://www.youtube.com/watch?v=jTPJtWXK0Xg Have lots of fun! We cannot wait to see them all! Challenge! Label the Northern hemisphere, Southern hemisphere and Equator on your globe.	Visit the Museum of Enfield at the Dugdale Centre to learn all about the history of Enfield. Ring up in advance to book a ticket.	Investigate the four compass points.  What are the main points on a compass? What are the in-between points of direction called? How do you write compass points?	Watch this video and learn all about maps. https://www.bbc.co.uk/teach/class-clips-video/geography-ks1-ks2-maps/zdwhpg8 Challenge! Can you draw a map of your local area?	Choose your own mini-project or research topic about maps, explorers, or our local area!

Your Home Learning should be completed mid-way through the half term. We would like you to complete your work in your Home Learning book and bring it back into school on the hand in date. **Please submit any photographs of creative projects to your Google Classroom.**

Hand in Date	Teacher Feedback
