

# Year **Four** Home Learning Project

## Summer Two

- ✓ You should choose at least three out of the eight options below. You could think of your own idea for some research/project ('Brain Wave') as one of these.
- ✓ Please ensure you have some evidence of your Home Learning to share with your teacher. This may be presented in the Home Learning book that you have been given, or you may choose to present it in other ways e.g. using ICT, creating a sculpture- be creative with how you present your work.

	Calculate or reason	Write	Discuss	Create	Teach	Whilst at Home!	Investigate	Watch or listen	Brain Wave!
<p><b>London Town</b></p> 	<p>Choose 5 tall London landmarks (for example London Eye, Big Ben, Tower Bridge etc.) Find out how tall they are. Can you convert the heights to the same unit of measure? Put them in order from smallest to tallest.</p> <p>How quickly can you recall your times tables? Can you write these up neatly? Can you write all related division facts?</p>	<p>How do you think London has changed over time? Interview an older person you know who has lived in London for a long time. Think about the questions you could ask them. Try and find out about public transport, parks, schools, housing, shops etc. Write up your interview.</p> 	<p>How does London compare to other cities around the world? London has a large population, parks, theatres and many galleries. Discuss with an adult how London is different to other cities around the world.</p> <p>What is the difference in the weather/climate?</p> <p>What colour are the taxis?</p> <p>Do they have buses? Are there any double-deckers?</p>	<p>Create a London skyline. You could use pencils, chalk, paint or collage. Use what you can find at home.</p> <p>Write instructions on how you created your skyline. Try and include imperative verbs and adverbs.</p> 	<p>Teach a family member about the seven life processes.</p> <p>Explain what each process is.</p> <p>Can you remember what they are?</p> <p>Write each word:</p> <p>M R S G R E N</p>	<p>Ways to travel around London. People commute to work in many different ways. On the train, by bus or walking. Can you create a 5-day fitness plan that will replace this? e.g. First-Run on the spot for 3 minutes. Then-Lie on your back and cycle in the air for 2 minutes. After- Balance on one leg with your both arms stretched in the air for as long as you can.</p>	<p>Investigate how a habitat changes throughout the year. Choose <b>one</b> of the following: Tropical Rainforest, Tundra, Desert or Oceans</p> <p>How does the weather/climate change?</p> <p>Does it affect the organisms that live there?</p> <p>Do any animals migrate? <b>or</b> Investigate the effects of deforestation on a rainforest</p>	<p><a href="https://archive.org/details/animalympics1980">https://archive.org/details/animalympics1980</a> As there will be no Olympics or Sports Day this year :( watch the cartoon 'Animalympics' instead!</p> <p>Who were your favorite athletes and why?</p> <p>Did you like any of the songs?</p> <p>Which was your favourite?</p>	

Your Home Learning should be completed mid-way through the half term. We would like you to email the office ([homelearning@bowesprimaryelt.org](mailto:homelearning@bowesprimaryelt.org)) with a photo of anything you have managed to create! Some of your work will be shared on the school website.
