Home Learning Pack

Dear Parents

- We have provided several tasks that will support your child's learning during the current school closure.
- Many of the tasks are based on what the children would have been studying in class.
- Work can be recorded in your child's Home Learning book where appropriate.
- As teachers will not be able to oversee or feedback on this work, any support you can provide will be helpful.

ReadWriteInc on youtube.

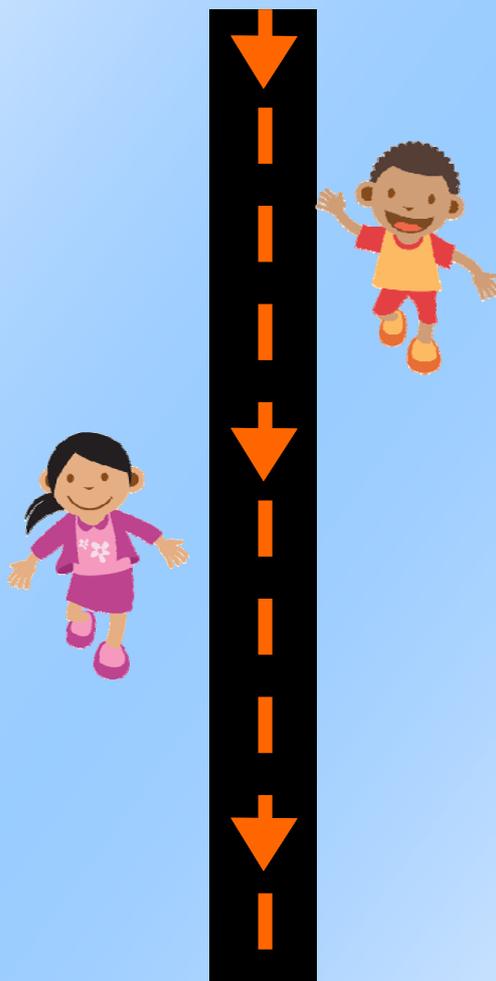

The image shows a YouTube video player interface. At the top left, there is a logo for "Read Write Inc. Phonics" in a dark green rounded rectangle. The main title of the video is "How to say the sounds" in a large, bold, black font. To the right of the title is a cartoon illustration of a man and a young boy sitting on a red sofa, looking at a book together. The background of the video frame is a textured, yellowish-green. Below the video frame is a standard YouTube player control bar with a progress bar showing 0:06 / 2:48, a play button, a volume icon, and other controls. Below the player, the video title "Parent video: How to say the sounds" is visible, along with some partially obscured text "45 445 views" and "20 Jan 2020". At the bottom right, there are icons for likes (179), comments (28), and a share button labeled "SHARE".

Around and round and
round we go,

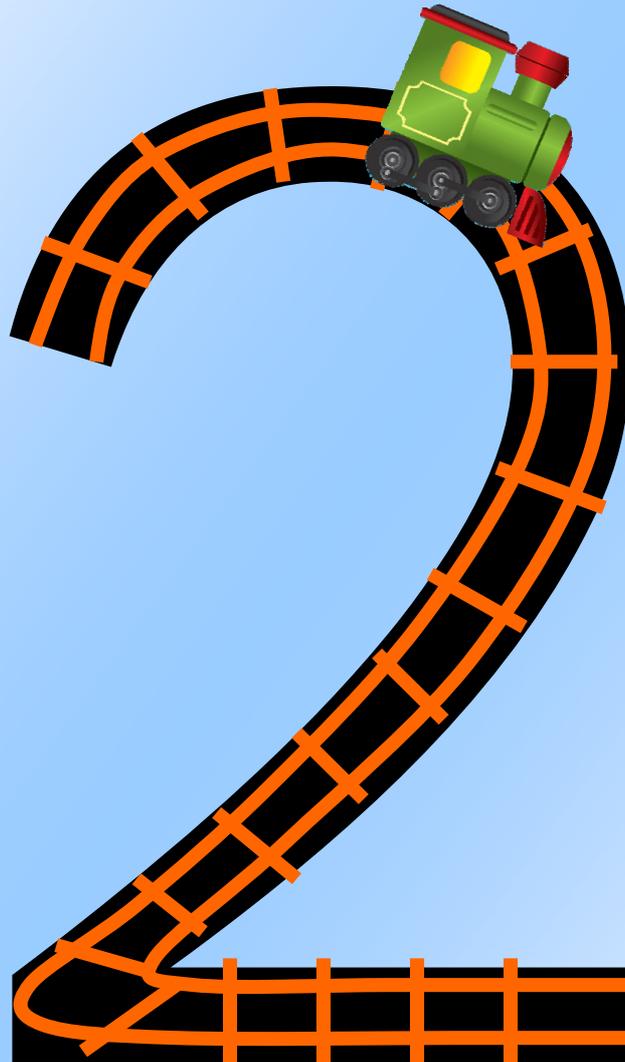

When we get home we
have a zero.

Start at the top and
down we run,

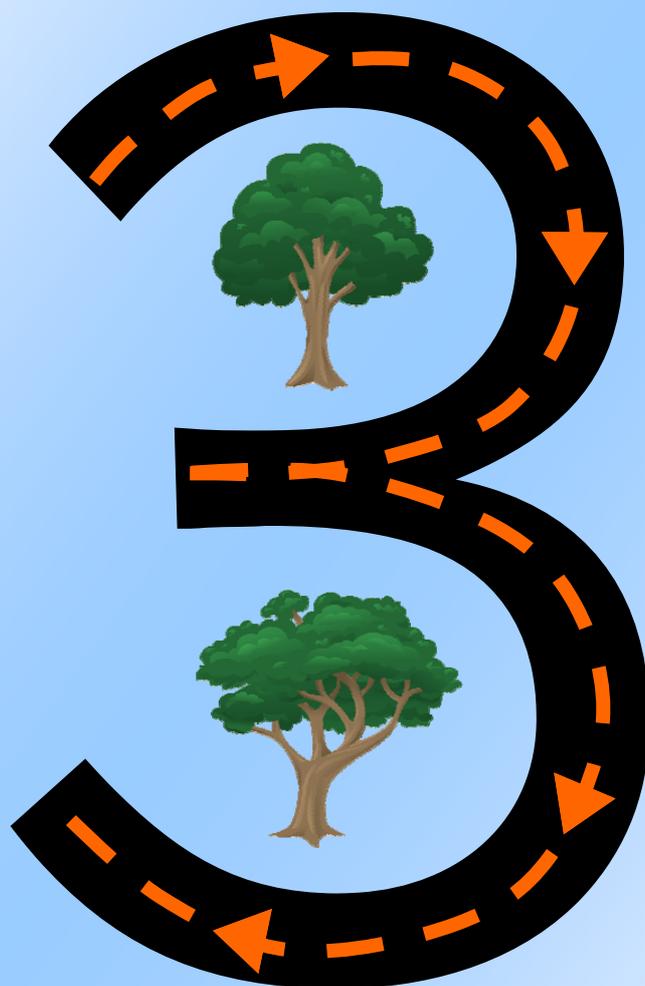

That's the way we
make a one.

Around and back on a
railroad track

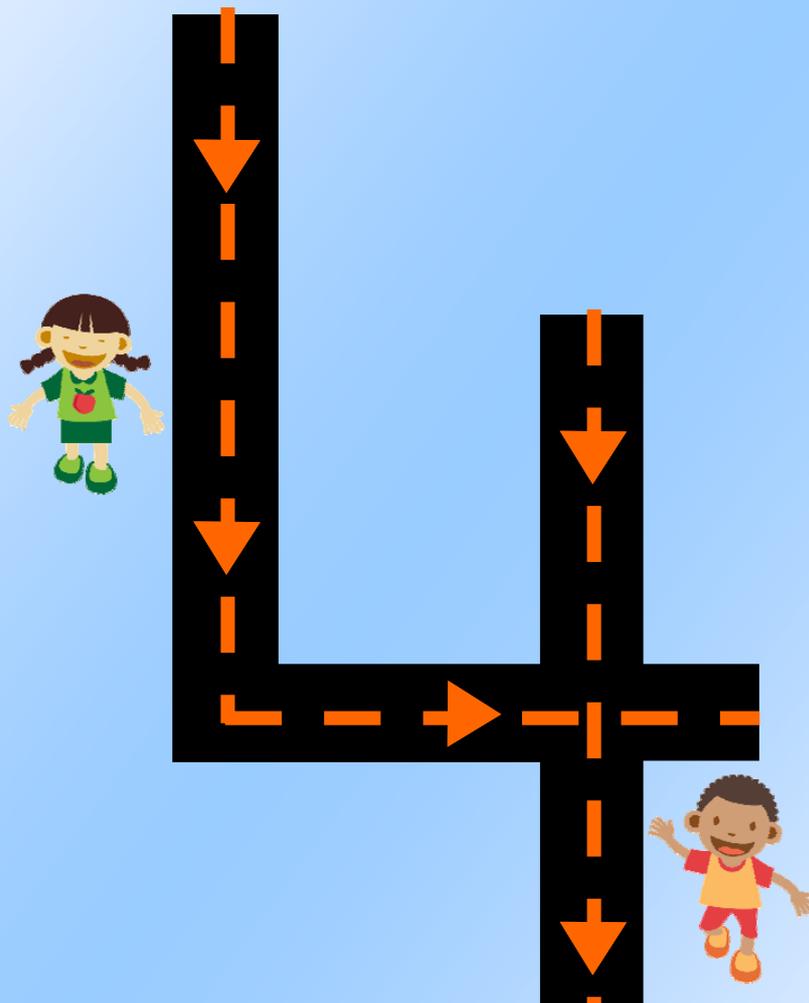

Two, two, two

Around the tree and
around the tree,

That's the way we
make a three.

Down and over, down
some more

That's the way we
make a four.
