

Year 6 School Journey

6th – 10th November 2023

An aerial photograph of the Liddington Golf and Country Club. The image shows several large, multi-story buildings with grey roofs and dark wood paneling, arranged in a U-shape. A large, circular pond with a fountain is located in the center-right. There are several parking lots with cars, and a golf course with green fairways and trees is visible in the background. The word "Liddington" is written in a large, blue, serif font across the middle of the image.
