8th February 2018

Dear Parents,

Thank you again for the tremendous support that you have given us regarding the future of Bowes Southgate Green. I have received a number of emails from concerned parents over the past week and I would like to thank you all for taking the time to put this in writing. Moving forward, rather than replying to individual emails, we will send regular updates so that you are kept informed of any developments.

During the meeting that took place at the end of January, many parents enquired as to whether it would be possible for younger siblings to be guaranteed a place at Bowes New Southgate, should we cease to admit pupils at Bowes Southgate Green.

As you are aware, Bowes Primary School offers pupils school provision across more than one site, however they are all part of one school. We are very pleased to inform you that if we were to stop admitting pupils at Bowes Southgate Green, the admission point for that site will close. Following this, Bowes Primary School will have just one admission point - Bowes New Southgate. All future families who request a place for their child at Bowes Primary School will be offered one, in line with our current admission policy, which gives siblings priority over catchment. We hope that this offers you some reassurance regarding the sibling situation.

We are currently in discussions concerning our lease at Broomfield School and I hope to meet with the School and the Local Authority to gain further guarantees that we may continue to operate from the site for at least the next six years. We are also having further discussions with Enfield, the DfE and Broomfield about a permanent plan for the school.

We have also organised a date for a follow up meeting to take place on **Tuesday 27th March** in Broomfield's hall at **6pm**.

Thank you again for your continued support.

Yours sincerely,

Sarah Turner
CEO Enfield Learning Trust
