## Aims and scope

The Board of Trustees of the Enfield Learning Trust (ELT) is responsible for the admission of pupils into its schools. It will do so in accordance with the Department for Education's School Admission Code and School Admission Appeals Code and participate in Enfield Local Authority's co-ordination of admissions processes and its Fair Access Protocol.

This document provides guidance on how to apply for In-Year places at any time, and how to apply for Nursery and Reception places for September 2018. It sets out the administrative arrangements to prepare a child for entering the school once a school place has been offered and accepted.

The ELT is committed to providing a welcoming, safe and friendly environment for all children and their families in every one of its schools. This approach is illustrated at Appendix 1. It welcomes children of all religions and none and supports children of all abilities to reach their full potential. Equally, the ELT expects that the children and their parents/carers will endeavour to play their part in developing and maintaining a positive school community. The Behaviour for Learning Policy sets out in detail what is expected of both parents and children at the school. On admittance parents and pupils where appropriate will be asked to sign a home/school agreement.

Enfield Local Authority process all applications from Enfield residents. Full details of the supporting documents required, such as proof of address, are given online. Out of Borough applicants need to apply via the local authority where they live. You cannot apply directly to ELT schools for a place. The deadline for applications is 15 January 2018 and you will be notified whether you have been successful by the Local Authority in May 2018.

It is important to note that even if your child attends the Nursery you must still apply for a place in a Reception class in the same way as other applicants. If your child attends an Infant school you must also apply for a junior school place. Arrangements are in place for Carterhatch Infant School pupils to automatically receive an admission place at Carterhatch Junior School.

If there are equal or fewer applications than the number of places available everyone will be offered a place. It is important that you formally accept or decline a place if it is offered, so that the school can plan ahead.

If you have been offered and accept a place at an ELT School, you will be asked for further information about your family circumstances and be given full details of how your child will be helped to prepare for starting Nursery or Reception.

If there are more applications than the number of places available the following criteria will be used to determine who is offered a place.

#### **Admission Criteria for the ELT Schools**

After the admission of pupils with an Education, Health and Care Plan or Statement of Special Education Needs, the following criteria are used to decide which children should be offered places when there are more children wanting to go to a school than there are places available.

- a) Children in public care (looked after children) and children who were adopted, or subject to residence orders or special guardianship orders immediately following having been looked after. This does not include children who were adopted or fostered without having been previously looked after;
- b) Children for whom a particular school is appropriate on exceptional medical grounds. Such applications will be considered under this criterion only if they are supported by an attached written statement from a doctor. This must demonstrate that there is a very specific connection between the child's medical need and the school requested;

c) Children with a brother or sister who will be attending the school at the time of proposed admission. The children concerned must be living at the same address;

d) Children whose parent is a member of staff who has been employed at the school concerned for two or more years at the time of application and/ or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage;

e) Children living nearest to the school measured as the crow flies, that is, in a straight line from the child's home to the main entrance of the school. These calculations are done by the LA admissions service according to a standard formula. (Travel by private car or public transport is not taken into account).

### **Academy admission appeals**

Any applicant refused a place has a right of appeal to an independent appeal panel established by the ELT which will publish its appeals information on its website annually.

### **Admission appeals complaints**

The Education Funding Skills Agency (EFSA) receives any complaint made by an applicant about the way admissions appeals are carried out at academies.

### **Waiting lists**

In addition to the right of appeal, unsuccessful applicants may be offered the opportunity to be placed on a waiting list. This list will be maintained by Enfield Local Authority in an order determined by the admission criteria set out above and not in the order in which applications were received or added to the list. Unsuccessful applicants will be consulted at intervals on whether they wish to remain on the waiting list, which will be maintained until the end of the academic year in question.

### **In-Term Applications and Admissions**

Applications should be made on-line to the Enfield Local Authority and not directly to the school.

The ELT schools are committed to taking their fair share of children and young people who are vulnerable and/or hard to place, as set out in Enfield's fair access protocol. Accordingly, outside the normal admissions round, priority can be given to a child or young person where admission is requested under any local protocol even when this would mean exceeding the published admission number.

### **Play Sessions**

Play session/s takes place in the School during the Summer Term which eases the transition into school. The sessions are for pre-school children, their parents/carers and siblings who have been allocated a place at the school. Parents/carers will receive a letter inviting them to attend the play session/s. Play Session/s help children and their parents/carers to get know school staff and the building – the children make friends with other children who will be in their class prior to starting school. The Play Session is an opportunity to demonstrate the value of play in the learning experience

of young children – the activities provided are planned to offer aspects of the Foundation Stage curriculum

This policy will be reviewed on an annual basis by the Board of Trustees.
