## Register for Universal Infant Free School Meals now!

All children in Reception, Year 1 and Year 2 are offered a school meal at no cost to the parent or carer, whether their family receives a qualifying benefit or not.

#### Quality food, every day

School meals in Enfield are healthy, tasty, social and fun and choosing a school lunch for your child will help save you up to £400 per year if you take up the offer. In Enfield this has proved popular with parents and children alike.

#### Can my child still bring a packed lunch?

Yes, they can but we would encourage them to try a school lunch. This will give them a varied and balanced diet and save you time and money. NB. A cash alternative is not available for those pupils not taking a school lunch.

# Your child may be eligible for free school meal protection up until Year 6 in primary school

On the 1 April 2018, eligibility for free school meals changed, whilst Universal Credit is being rolled out to replace existing benefits. If you receive one of the benefits listed over the page and qualify, your child's free school meal entitlement will be protected. The roll out period is scheduled to end in March 2025. After this date, your child will keep their free school meal entitlement until the end of their current phase of education, i.e. primary school, even if your circumstances change.

### Extra funding for your child's school

It is important to sign up for free school meals, so that your child's school can claim as much funding as possible. Schools can claim additional funding from central government, known as the 'Pupil Premium' for every child whose parent or carer receive one of the benefits listed over the page. This additional money is used to ensure that children achieve academically and have full access to educational and cultural actives. However, it is for the school to decide how the money is spent. For more information, please ask at your child's school.

### To Register for free school meals, we need information about you and your child

This will help us plan for the number of children having a school lunch, confirm if you qualify for free school meal entitlement and whether the school is entitled to the additional pupil premium funding. Please complete the form overleaf and return to your child's school as soon as possible.

#### How the information on this form will be used

We are committed to ensuring that the personal and sensitive information that we hold about you is protected and kept safe and secure, and we have measures in place to prevent the loss, misuse or alteration of your personal information.

The information you provide will be used by the Council to process your application, to populate our database and ensure efficient checking and authorisation in accordance with Free School Meal legislation.
