EARTH DAY

A huge thank you to our Year 6 MPs who led our Earth Day assemblies on Monday. They presented information about why we mark the day each year and explored ways in which we can help to look after our planet. The MPs also asked everyone to think about what changes they could make to try to stop Climate Change. We are very proud of how the MPs prepared for the assemblies and how confidently they delivered the information. Well done!

"stop wasting food!"

"Use cars less!"

"Remember to use
re-useable water bottles."

"Turn off lights and taps
when not in use."

SCHOOL STREET

On Monday, the Bowes School Street will go live!

The role of the School Street is to restrict access for motor vehicles at school drop-off and pick-up times. We hope this will make our school entrance a much safer place for children and parents. **The School Street will involve a partial closure of Highworth Road between 8:30am - 9:15am and 3:00pm - 3:45pm.** If you drive down Highworth Road during these periods, you will receive a Penalty Charge Notice from the Local Authority. Residents within the closure area, blue badge holders requiring access to the school and emergency vehicles will be exempt from the road closures, so please continue to cross the road safely.

BASKETBALL NEWS

Last week, our Basketball team headed off to play in an Enfield Basketball Competition. They competed against nine other Enfield schools and played some amazing basketball. Well done to the team for competing, they all had a great time! Thank you to Alex for preparing the team so well and giving up a lot of his own time. Thank you also to Andreas for accompanying the team to the fixture.

KEEPING CHILDREN SAFE

Advice for young people feeling down and unable to cope

[Young Minds](#), a UK charity fighting for children and young people's mental health, has a page dedicated to advice for young people when they are struggling to cope. It covers a wide range of reasons why a young person might be feeling down or in need of support, as well as links to support services and tips to feel better.
