E	<p>To ensure disadvantaged pupils have books to take home to read during the holidays</p>	<p>Research summaries in America (David M. Quinn and Morgan Polikoff) found that disadvantaged pupils’ tended to read less and ‘advantaged’ pupils more in the school holidays. As a result of this, disadvantaged pupils’ reading scores dip lower than their ‘advantaged’ peers after a holiday. This creates further ground for disadvantaged pupils to make up in their learning over time. The study also found that both groups made broadly the same progress within school, so this additional holiday input creates an accumulated benefit for the ‘advantaged’ children over time.</p>	<ul style="list-style-type: none"> • Tracking home school record book 	<p>AHT Class Teachers</p>	<p>Termly</p>
